

The image shows a mockup of a Facebook page for a brand named "Your brand". The page is set to a desktop view. At the top, there is a blue navigation bar with the Facebook logo, a search bar, and navigation links for "Name", "Home", and icons for friends, messages, and notifications. The main content area is divided into three columns. The left column contains the brand's profile picture (a white circle) and a menu with options: Home, About, Photos, Reviews, Events, Posts, and Community. The middle column features a large white space for a post, with interaction buttons for "Like", "Follow", "Share", and a dropdown menu. Below this is a "Status" section with a text input field and a "Write something on this Page..." prompt. The right column contains a "Learn More" button and a "Send Message" button. Below these is a text-based post: "A new and better way to acquire, engage and retain Architecture and Engineering talent." At the bottom of the right column, there is a "Community" section with a "See All" link.
